

PEARL 1200x600 mm & 600x600 EZI Grip

EZIGRIP[™]
Smooth When Dry Grip When Wet

MAYASTONE

Porcelain Tile & Mosaic

A NATURAL MIXTURE OF
LIMESTONE AND
QUARTZITE IN AN ELEGANT
AND MODERN STYLE.

The remarkable EZIGrip tile surface possesses a true Non-Slip property when wet, without compromising the soft, easy, and smooth texture in appearance, touch, and feel when dry. The transformative functionality of these tiles facilitates seamless transitions between multiple areas, making them easy to maintain in the long term and simplifying the selection process with confidence.

It is Easy, It is safe – It is EZIGrip.

The micro finish add a subtle texture to the tile, providing a low-gloss appearance.
