

DUNE 600x600 mm EZI Grip

EZIGRIPTM
Smooth When Dry Grip When Wet

JURA

Porcelain Tile

A NATURAL MIXTURE OF
LIMESTONE AND
QUARTZITE IN AN ELEGANT
AND MODERN STYLE.

EZIGRIP™
Smooth When Dry Grip When Wet

The remarkable EZIGrip tile surface possesses a true Non-Slip property when wet, without compromising the soft, easy, and smooth texture in appearance, touch, and feel when dry. The transformative functionality of these tiles facilitates seamless transitions between multiple areas, making them easy to maintain in the long term and simplifying the selection process with confidence.

It is Easy, It is safe – It is EZIGrip.

TECHNICAL SPECIFICATIONS				RECOMMENDED APPLICATIONS	
	Water Absorption (ISO10545-3)	≤ 0.5% (Result 0.06%)		Chemical Resistance (ISO10545-13)	PASS (A-LA-HA)
	Breaking Strength (ISO10545-4)	PASS ≥ 1300 N		Stain Resistance (ISO10545-14)	PASS Class 5
	Modulus of Rupture (ISO10545-4)	PASS ≥ 35 N/MM ²		Slip Resistance (AS/NZS 4586 Appendix A, D)	R11 P4
	Abrasion Resistance (ISO10545-7)	CLASS 4		Matt Finish ▪ Oil Ramp ▪ Wet pendulum	
	Frost Resistance (ISO10545-12)	PASS			Shade Variation
					V3

Subject to local slip resistance regulations for area of use or as recommended by Standard Australia guide HB 198:2014
